City of Morgan's Point Resort Debt Transparency Pledge

In an effort to introduce more transparency into local spending and debt obligations, the City of Morgan's Point Resort pledges to post details about the City's bond and debt information on the City's website no later than one business day after the public notice of the bond election. This information will include details about the bond packages(s) up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

The City further pledges to notify the Comptroller's office via email to Transparency@cpa.state.tx.us when the bond election information has been posted to the City's website. The email will include a link to the bond election information.
